**Basic Outline of
Development & Academics**

Note: Children are fully potty-trained before entering this class; no pull-ups, diapers, or consistent accidents. Children must be able to use the bathroom on their own.

Children in our pre-school programs are learning the same material as our full-day children.

For T-TH 3 / 4 pre-school, see the fulltime guidelines, and for the M-W-F AM or PM, children will follow the academic and development basics for our fulltime Pre-K.
